

Dear KidsPointe Parents,

We have had an awesome season with your child as they have experienced HighGear Worship and a community of belonging in small groups. When they've stayed with us two hours at KidsPointe, they have experienced hands-on ways of putting into practice the disciplines of becoming more Christ-like (seek, study, serve, and share) in our OverDrive program.

PLEASE NOTE: May 24th will be our last day of small groups and OverDrive until next season. [Please be sure to enroll your child for next season's small groups by June 15.](#) OverDrive and Small Groups will kick-off a new season on **September 6th.**

What should my elementary child do on Sunday mornings beginning June 7th?

We will continue to offer HighGear Worship on Sunday mornings in both worship rooms (K-1-2-3 and 4-5-6). This will be offered at both 10:00 and 11:15. If your family is here for only one hour, your child should come to their HighGear room where they will worship and hear our 252 Basics large group lesson. If your child is going to be here for 2 hours, they should worship with you in the adult worship room for one hour and then come to HighGear worship (or vice versa). Since there will be no small group assignments this summer, your child may choose which hour of HighGear to attend.

All Preschool and Nursery classes will run regular programming throughout the summer. We hope you have a wonderful summer with your family - building memories and continuing to disciple your child at home through discussions, activities, and teachable moments each day brings us.

Pointing Kids to Him,

Tammy and Mandy
